

Community • Education • Arts Callout
for FEATURED ARTIST online Arts Showcase exhibits!
**We want to showcase *your* original artwork images, prose,
poetry, dance/theatre, or music!**

CEArts is excited to offer featured artist *Arts Showcase* opportunities on our [website](#). We want to showcase original* artwork (all mediums), writings (all genres), as well as dance/theatre and songs/instrumentals (videos or MP3s) for our online *Arts Showcase* exhibits! Each Arts Showcase exhibit may last two or three months.

* Please note that our website is PUBLIC, which means **any** Art on it is considered “published”. That can affect a piece’s eligibility for non-CEArts contests and publications and is true for **all** mediums and genres of Art. That said, brand new and/or previously published creations are welcome here!
